

Outfield 800 Ride-On Lawnmower

Petrol 460cc · Self-Propelled Ride-On · 32" Cut

A self-propelled ride-on cylinder mower built to cover larger areas quickly — outfields, sports grounds, parks and estate lawns — while keeping a quality cut. A 460cc air-cooled 4-stroke petrol engine drives an 8-blade cutting cylinder across a 32" width, with cutting heights adjustable from 8 mm to 40 mm.
